

Keep Math Skills Growing This Summer!

To help your child maintain their math skills and build confidence for September, Knowledgehook will remain fully open and accessible all summer long!

3 quick ways your child can play and learn from home

1 Teacher-Assigned Missions

Any math activities assigned by your child's teacher before the end of the year will remain open for them to complete at their own pace.

2 Independent Practice (SOLVE page)

By clicking the SOLVE button on their dashboard, students can jump into independent math challenges tailored to their grade level to sharpen skills anytime.

3 Launch Bay Game

By clicking LAUNCH, students enter *Light of the Zo-gears*, an exciting sci-fi world where they reap rewards for doing math. The math questions they solve allow them to upgrade their Zo-gear robot companion and unlock thrilling new worlds.
